202643026	Control Engineering for Industrial Refrigeration and Air Conditioning Systems and Energy Efficiency Analysis 2026-05-10 / 2026-05-14	Cairo	600
202643027	Maintaining Electrical Systems for Factories and Machinery Using Predictive Maintenance and Digitization Techniques 2026-05-17 / 2026-05-21	Cairo	600

ID	Programme / dates	Location	USD
202643028	Designing Mechanical and Robotic Systems for Smart Production Lines and Analyzing Operational Performance 2026-05-17 / 2026-05-21	Cairo	600
202643029	Advanced Materials Engineering and Design of High-Performance Metal and Composite Structures 2026-06-07 / 2026-06-11	Cairo	600
202643030	Developing Smart Factory Projects Using Digitalization and Industrial Data Analysis 2026-06-07 / 2026-06-11	Cairo	600
202643031	Sustainable Energy Engineering and Efficiency Analysis of Renewable Energy Systems and Emissions Reduction 2026-06-14 / 2026-06-18	Cairo	600
202643032	Designing Mechanical and Rotating Systems for Heavy Equipment Using Modern Simulation Techniques 2026-06-14 / 2026-06-18	Cairo	600
202643033	Preventive and Predictive Maintenance for Industrial Hydraulic and Pneumatic Systems 2026-06-21 / 2026-06-25	Cairo	600
202643034	Thermal Energy Engineering and Performance Analysis of Generators and Turbine Engines 2026-06-21 / 2026-06-25	Cairo	600
202643035	Developing Smart Industrial Monitoring and Control Systems Using Cloud Computing and the Internet of Things 2026-06-28 / 2026-07-02	Cairo	600
202643036	Designing Electrical Power Networks and Controlling Power Distribution for Large Industrial Facilities 2026-06-28 / 2026-07-02	Cairo	600
202643037	Industrial Robotics Engineering and Smart System Integration with Production Lines 2026-07-05 / 2026-07-09	Cairo	600
202643038	Analyzing Structural and Architectural Systems in Buildings and Large Facilities Using Digital Modeling 2026-07-05 / 2026-07-09	Cairo	600
202643039	Developing Engineering Projects for Water and Wastewater Management Using Sustainability Technologies 2026-07-12 / 2026-07-16	Cairo	600
202643040	Maintaining Marine Equipment and Engines Using Advanced Digital Solutions 2026-07-12 / 2026-07-16	Cairo	600
202643041	Maritime Transport Engineering and Port Planning with Digitalization and Maritime Traffic Analysis Applications 2026-07-19 / 2026-07-23	Cairo	600
